

Mapping SEL to Common Core

Common Core

Actively learning as individuals,
with partners, and in groups

Come to understand other
perspectives and cultures

Engaged in “productive
struggle” with divergent thinking

Taking ownership of their ideas
with the skill and opportunity to
express them.

SEL

Respectful and supportive
relationships within diverse
groups, working cooperatively

Self-efficacy; accurate assessment
of assets & limitations using social
lens

Setting & achieving goals; self-
motivation and managing one’s
emotions

Appreciating diversity, empathy,
evaluating realistic consequences
of various actions, responsible
decision making
